

JOHNSTOWN CITY COUNCIL MINUTES
Wednesday, October 12, 2016

City Council met in a stated session for the general transaction of business. Mayor Frank Janakovic called the meeting to order at 6:11 p.m. City Manager Melissa Komar offered the invocation, and the Pledge of Allegiance was recited.

Mayor Janakovic noted an Executive Session was held with regard to litigation and personnel issues prior to the start of the meeting

Mayor Janakovic, on behalf of Council, read the following statement into the record:

On September 18, Officer William Sliz was found unresponsive in the roll call room of the Public Safety Building. Narcan was administered, and he was transported to Conemaugh Memorial Medical Center. Earlier this year it is alleged that the Police Chief was notified of a potential breach in the Department's evidence room. As a result of these incidents, the City Manager and Mayor have requested and are cooperating in an external investigation with the full support of the Cambria County District Attorney's Office and the Pennsylvania State Police Department. In response, motions have been put in place by the City Manager to address the breach, cameras, fobs, and entry locks. Johnstown Police Chief Craig Foust has been placed on paid administrative leave based on his alleged failure to take appropriate action to secure the evidence room.

Further administrative action will be determined based on the outcomes of an independent internal investigation into this incident. I would like to make it clear that the Mayor, City Council, administration and all the other city employees continue to provide 100 percent support to our officers of the Johnstown Police Department. Every day they risk their lives and protect and serve the City of Johnstown.

Next we need to modernize our police force with the best methods and tools available. Our police not only protect us, they are our neighbors and they are an important part of the fabric of this community. Community-based policing is a direction we all know we need to address. It affords an opportunity to the community and neighborhoods to build relationships with law enforcement and to the police to better interact with those whom they serve. I applaud the efforts of the Coffee Shops, the officers in the school, but we need to continue to expand patrols and police presence in our neighborhoods. It is easy to focus on the negative, instead of looking to the future. What we do today will mold our City's future. Together we must address what has happened and work together to once again make Johnstown a safe and friendly place to live.

COURTESY OF THE FLOOR ON AGENDA ITEMS ONLY

Frank Gorgone, 130 Penrod Street, Johnstown, addressed Council with regard to his permit to perform work on his property at the corner of Horner and Hickory Streets. He stated that while waiting on his son to help perform the work, six months had passed and he was red-tagged to stop work because the permit had become illegal. Mr. Gorgone stated he was issued another permit, which he properly placed on his building but was then issued a stop permit sticker. He stated that all he is trying to do "is make improvements to his building". He stated if he is not permitted to finish remodeling the building, he will stop remodeling all his buildings in the City, which will end up in a dilapidated state. Mr. Gorgone stated he is being discriminated against.

Mrs. Komar asked that Mr. Gorgone telephone her for further discussions to resolve the matter. Mayor Janakovic stated Council will also work with him to resolve the matter.

There was discussion whether or not the issue was an agenda item. Attorney Beard explained his understanding was that codes complaints were on the agenda, and that "if you want to continue on to debate this issue all night, we can." He referred to the courtesy of the floor speaker list for further clarification.

John DeBartola, 1197 Bedford Street, Johnstown, addressed Council with regard to Ordinance for Final Read, No. 1456 and Ordinance for First Read, Resolution No. 8. He discussed wages and salaries, newly created positions and the indebtedness they create. He referred to these agenda items as nontransparent. Mr. DeBartola suggested that Council consider a state-controlled police department and a high ranking law enforcement specialist as a state-paid police commissioner. He suggested that Council "stand strong and firm and make decisions that are for the best interests of the community." He questioned whether this is the right time to create new positions as noted on the agenda. Mr. DeBartola submitted an application for a position on the planning commission. He noted he would be using Mr. Williams and Mrs. Mock as his references.

Mayor Janakovic reiterated that Council will be conducting an internal investigation along with the District Attorney's office and the State Police. Mr. Williams agreed that Council "will sort through this." He stated he is proud of the Johnstown Police Department. Mayor Janakovic noted for the record that "this is one of the first times he and Mr. Williams appear on the same page."

Robin Kmetz, 125 Spring Street, addressed Council with regard to a few first read resolutions or ordinances. Ms. Kmetz expressed a concern for the \$3 million that was borrowed to pay bills for the rest of the year while at the same time creating a new captain position.

Ms. Kmetz is the grandmother of two children who are bullied every single day and noted her attendance at a recent school board meeting where she and Mr. DeBartola "almost got hit" by a board member. She stated a complaint was filed, but she was not sure it had "gone anywhere". Ms. Kmetz asked that Council not consider Chad Miller for the captain position due to events at this recent school board meeting.

Mayor Janakovic clarified that the choice for captain is the City Manager's recommendation. Mr. Vizza noted that council has the "utmost faith" in the City Manager to make that decision.

Joseph Warhul, 44 Clover Street, Johnstown, addressed Council with regard to Bill No. 29 concerning changes to the Administrative Code. Mr. Warhul stated that his communications to Council have gone unnoted, which he finds offensive. He referred to his recent code complaint regarding the Conrad Building and asked who on Council could tell him what it was concerning other than Mr. Williams and Mrs. Stanton. Mr. Warhul stated Council was elected to listen to what residents have to say. He took the time to fill out a code complaint and Council members should take the time to read it.

Mrs. Mock commented that she assumes that a code complaint gets resolved and in that sense does not need to see a copy of it. Mayor Janakovic noted he receives code complaints electronically. Mr. Williams noted that while some Council members pick up copies of code complaints and some receive them electronically, he receives copies in his packet.

Mr. Warhul expressed a desire for his communications to Council to be made a part of the record.

Attorney Beard explained he reads the complaints. He suggested that Deb Grass be afforded the opportunity to explain the process in place by which a complaint goes to a particular area to be acted upon. He stated that it goes through a

chain of command to be resolved. He stated that Ms. Grass believes that by the time a complaint gets to Council it should have already been resolved. Attorney Beard stated that Ms. Grass is attempting to streamline matters to make a more efficient agenda. There was further discussion regarding the matter.

Mayor Janakovic requested that Council members be advised as to how complaints are resolved.

Mr. Warhul again requested that his communications to Council be made a part of the record and meeting agenda.

Johanna Boratko, addressed Council with regard to the budget and the captain position. Ms. Boratko spoke regarding the budget being "in the red" and jobs being created. She stated that Officer Chad Miller is "not the candidate for the captain position." Ms. Boratko noted that Officer Miller wrongfully arrested her for a bogus charge and lied under oath and also had the wrong information on her complaint form. She further spoke of incidents that Attorney Beard explained could be slanderous in nature. She stated she has been attempting to contact the City Manager since March for further discussion.

Mr. Johncola stated Ms. Boratko is speaking of a personnel issue. He is a member of Council elected to help, and he further stated that in his opinion Ms. Komar has been a very good City Manager.

Mayor Janakovic stated he is not going to let one incident put a "black eye on our police department, fire department or public works."

Mrs. Mock stated that the past seven, eight months have been tremendous with the previous City Manager and the police situation. She stated everyone has to "stop looking at things independently that are going to tear whatever is left of this City apart." Mrs. Mock noted the city police have to be supported and "we've got to work together."

Mr. Vitovich commented, "It's time to pull together as a community and fight this together."

Mayor Janakovic commented, "There has been a misjustice in the way Mrs. Komar has been presented to the press and will be terribly missed if and when she leaves us."

Mr. Williams stated there should be no further comment from audience members regarding the police matter.

Attorney Beard explained, "These things are not easy because sometimes these things are like wolves in sheep clothing." He stated the Mayor is completely within his rights to view that and have a discussion, but at the same time we need to be mindful we are doing the best we can as to the agenda and nonagenda items. But as far as personnel issue, Attorney Beard noted they are not widely discussed out here, that it is really not the time and place.

Mark Pasquerilla, 945 Menoher Boulevard, City business owner, addressed Council with regard to resolution to nominate Joe Warhul to the selection committee for the new City Manager. He stated, "Johnstown taxpayers need a resident of good will and good temperament mindful of the future of Johnstown, and unfortunately, Joe Warhul is not ---".

Mr. Warhul objected to Mr. Pasquerilla's comments. Attorney Beard explained that this is not an appropriate topic and suggested that Mr. Pasquerilla keep this as vanilla as possible without disparaging somebody. He noted that he does not believe Mr. Pasquerilla's comments with regard to Mr. Warhul are appropriate or positive for public comment.

Mr. Pasquerilla commented that he is entitled to his opinion, and there is a resolution on the agenda pertaining to the matter. Mr. Pasquerilla further commented that Mrs. Komar is an effective and dedicated public servant.

Mrs. Stanton noted Mr. Pasquerilla's comments with regard to Mrs. Komar has nothing to do with the resolution to appoint Mr. Warhul.

Mr. Pasquerilla further commented that in his opinion Mr. Warhul is unfit.

The recent Brownstown Bridge inspection revealed a few defects resulting in the sidewalks being closed until repairs are made, which will commence on Monday, October 17, 2016.

Public Works refurbished inlets on Haynes, Stonycreek and Franklin Streets. The City's combination sewer vac is out with PennDOT through the agility program.

There was discussion regarding the garbage rate increase. Mrs. Komar will meet with Mr. Fergas on Friday, October 14, 2016, at 1:00 p.m.

Mr. Williams has not received a response regarding his communication to Mrs. Komar on September 12, 2016, concerning the Conrad Building. The City Manager noted that Ms. Daly will attend a meeting on Thursday, October 13, 2016, in Harrisburg regarding the matter. Mayor Janakovic stated the Harrisburg meeting will determine the future of the Conrad Building.

Mr. Vitovich commented that Mrs. Stanton's employer owns a building on Locust Street, which was surrounded by barricades for three years. Mrs. Stanton could not comment on the matter stating it would be a conflict of interest. Mrs. Komar will investigate whether any code complaints have been made against that building.

REPORT BY THE MAYOR

Frank Janakovic, Mayor, reported on presenting a proclamation addressing World Mental Health Day in Central Park on Monday, October 10, 2016. The Mayor noted he, the police, firemen and Public Works participated in the East Side Walk with the Students.

Mr. Janakovic reminded everyone that Channel 14 broadcasts a schedule of the City's ongoing sewer project, which is also announced in the Tribune Democrat and Our Town newspapers.

The City Manager noted the Hornerstown interceptor project will commence on Monday, October 17, 2016. She noted that gas and water line replacements will be done along with the sewer work.

Mr. Williams noted for the record that Ordinance No. 5166 requires certain compliance with the sewage before the Conrad Building is transferred. The Mayor stated the last person who spoke regarding this matter was not permitted to finish his comments.

Mayor Janakovic commended JARI for its package promoting Johnstown as a positive City in which to bring a business.

REPORT BY THE CITY SOLICITOR

Carl Beard, Esquire, City Solicitor, noted another hearing will be held on November 22, 2016, with regard to the Duke LifePoint tax assessment issue. He noted the City is currently working on cost figures and payback as it relates to the matter.

Attorney Beard commented there are some issues related to the collective bargaining agreement with the FOP and AFSCME but is optimistic in light of the circumstances. He referred to Attorney Benjamin's outline concerning a motion to amend Bill No. 29 and Bill No. 32, which will be discussed later during Ordinances for Final Read.

Mrs. Stanton discussed concerns of residents regarding the City's advertisements for job vacancies, in particular for the construction coordinator position for the City of Johnstown advertised in the Tribune-Democrat. Attorney Beard indicated the matter can be addressed further with the Interim City Manager. He explained that unless the City Manager decided to do this exclusively on Facebook, then she has to be aware that that does not count as official advertising for the City. He also explained there is nothing wrong with somebody stating this job is available as long as it goes through the official postings of Mrs. Komar. There was further discussion regarding the matter.

REPORT ON PRIOR YEAR'S AUDIT FINDINGS

Mrs. Stanton asked for an update with regard to the poor condition of the sidewalks on Sell Street. Mrs. Komar indicated the one-year warranty has expired.

It was noted there is a walkthrough of all projects and a punch list is provided to the contractor's review before the warranty period expires. At the time of the walkthrough, if there were no cracked sidewalks, it would not have appeared on the punch list. It was noted that Continental Construction was the contractor. Mrs. Stanton noted that somebody should have "checked it out before just recently."

Mrs. Stanton made a motion that the City Manager send a letter to Continental Construction Company with regard to the matter. The matter was seconded by Mr. Williams and passed unanimously.

Mrs. Stanton reported on receiving complaints with regard to a rat infestation on Boyer Street in Coopersdale. It was noted the matter has been resolved.

It was noted the ordinances does not include special meetings.

Mrs. Stanton referred to the ordinance concerning any person making offensive, insulting, threatening, insolent, slanderous or obscene remarks can be removed from the audience. She noted this is ineffective unless this type of person is actually removed.

Attorney Beard explained a little common sense must be exercised under the circumstances. He cautioned against improvidently not understanding the law and the parameters and removing somebody where there could be a spinoff ramification leading to litigation. There was further discussion regarding the matter.

Mrs. Stanton referred to another portion of the ordinance concerning resolutions.

Mr. Williams made a motion to table the amendment for further clarification. The motion was seconded by Mrs. Stanton.

Mayor Janakovic stated there is currently a motion on the floor to vote on the amended ordinance. There was further discussion concerning the motion.

Mrs. Stanton noted the issue is whether this Council can dictate the actions of a future Council.

Attorney Beard explained that if a new Council would decide it does not like this ordinance or Bill No. 29, their first order of business could be to either get purge or modify the ordinance.

Mrs. Mock made a motion to approve. The motion was seconded by Mr. Vitovich.

Mrs. Komar indicated this ordinance regards the mercantile tax delinquency.

Attorney Beard believed the person's name is Attorney Susan Robertson, who spoke to his office with regard to the matter. It was explained that time was of the essence to get this in place in order to move forward with the various collections.

Mayor Janakovic read into the record a portion of a memo from Mr. Williams as follows: As I do not remain of the opinion that the JRA Regional Sewage are under any obligation to inform the City of Johnstown and more specifically,

the Council, what policies and procedures are or those which may be implemented by JRA Regional Sewage. There was further discussion regarding the matter.

Mrs. Stanton made a motion to table. There was no second.

Attorney Beard explained that his office was advised there were certain things that Turnkey needed to have in place before they undertook certain collection efforts. One of them was to be able to bring in 100 percent of delinquencies as opposed to 75 percent and to establish costs and reasonable fees for the efforts to collect the monies. He further explained that discussions were undertaken with Susan Robertson of Turnkey at which time his office drafted this particular resolution for passage.

There was discussion regarding tabling a matter. Mayor Janakovic noted he had called for the vote before Mr. Williams requested to table. Attorney Beard explained he will review Roberts Rules and provide an answer at the next meeting. But he stated if that is the case, that means all business of the City of Johnstown "will come to a complete screeching halt, nothing will ever get done if two people continuously on every motion, every ordinance, every resolution table everything."

The motion failed by the following vote:

Yeas: Mr. Williams, Mrs. Stanton (2).

Nays: Mr. Vitovich, Mr. Vizza, Mayor Janakovic, Mr. Johncola,
Mrs. Mock (5).

Bill No. 38 was reread into the record as follows:
