

## **RECYCLING WORKS IN JOHNSTOWN**

### **Why do we recycle?**

In 1988 the State of Pennsylvania enacted Act 101 entitled “Pennsylvania’s Municipal Waste Planning, Recycling and Waste Reduction Act”. Act 101 requires that municipalities implement curbside recycling programs.

The City of Johnstown passed ordinance No. 4535 in July 1990. A recycling program was established for the mandatory separation and collection of glass, Plastic bottles, aluminum, steel or tin cans and leaves. All residences and commercial, municipal and institutional establishments within the corporate limits of the City are required by law to recycle.
