CDBG AND HOME NATIONAL OBJECTIVES AND ELIGIBLE ACTIVITIES

The primary objective of the U.S. Housing and Urban Development (HUD) Title I of the Housing and Community Development Act of 1974, as amended, is the development of viable communities by the provision of decent housing, a suitable living environment, and the expansion of economic opportunities, principally for persons of low- and moderate-income. The City of Johnstown receives an annual federal entitlement of Community Development Block Grant Funds (CDBG) and HOME Investment Partnership (HOME) to implement the Act locally. The Department of Community and Economic Development staff ensures that projects recommended meet federal CDBG and HOME eligibility criteria and are consistent with City, County, State and Federal laws and regulations.

Up to 15% of the annual federal CDBG allocation may be used for Public Services that provide assistance to the community in accordance with the priorities set through community input relating to the upcoming program year.

The following types of activities may be eligible for funding under the **CDBG Program**: acquisition of property; disposition costs; improvements to public facilities, including the removal of architectural barriers; demolition and environmental clean-up; public services that are new or a quantifiable increase in the level of service; interim assistance; relocation payments for persons displaced as a result of a CDBG activity; rehabilitation of houses; code enforcement; special economic development activities; special activities undertaken by a community based development organization; home ownership assistance for purchase; planning; environmental; review; program administration; audit; and other miscellaneous activities. A minimum of 15% of the annual Federal HOME allocation has to go to a CHDO activity.

The following types of activities may be eligible for **HOME Program**: acquisition of property, rehabilitation of housing; new construction of housing; down payment and closing costs; tenant based rental assistance; administration; and other miscellaneous activities

Please Note: The City of Johnstown Department of Community and Economic Development has established that it will not be accepting applications after the posted deadline. The posted deadline for this application is September 5, 2014. This means that the application must be received by 4:00 PM on Friday, September 5, 2014. Applications postmarked by September 5, 2014, but not received by September 5, 2014, will not be considered for funding. Any exceptions to the above can be waived at the discretion of the Department of Community and Economic Development.

Thank you for submitting this grant request. The exact dollar amount of the CDBG and HOME allocation is not available at this time. This is a competitive application process for limited funding. HUD mandates that only 15% of the City's CDBG allocation may be used for Public Service, which makes these funds very competitive and a minimum of 15% for CHDO Activities under the HOME Program.

Please Note: Applicants that submit an eligible request are not guaranteed an award.

IMPORTANT INFORMATION RELATIVE TO APPLICATION

1. Successful applications may be funded for less than the amount requested based on the number of applications received which are for eligible projects and the cut back in Federal funds.

3. Agencies that currently receive CDBG/HOME funds from the City, who are also applying for FY 2015 funds, must be in compliance with all terms of their current agreement and must not have any outstanding audit findings, monitoring findings or concerns as determined by the City or HUD.

The City of Johnstown Department of Community and Economic Development encourages all applicants to utilize CDBG and HOME funds as gap funding. A gap is defined as the amount of funding necessary to run a program after all other funding sources have been identified, thus leveraging is very important in the application process. Leveraging signifies that the program is not dependent on one source of income. Identify all funding sources, including CDBG and HOME funds anticipated, other federal, state, county, local and private grants or loans, committed or applied. If funds are committed by other funding sources, a letter must be submitted verifying this commitment.

PLEASE NOTE:

LEVERAGE

Consideration will be given to the amount of non-CDBG or HOME funds committed to the project. CDBG/HOME funds may not be used to displace other available City, State or Federal funds. CDBG/HOME can be used as gap financing that is necessary to help make a project or program cost effective for the intended low-to-moderate income beneficiary. We encourage you to report as much leverage as possible and probable when you fill out this application.
