The City of Johnstown has identified the need to expand home buyer assistance as an objective in various planning documents such as the Comprehensive Housing Affordability Strategy, the Enterprise Community Strategy and its Consolidated Plan. The City has developed a program entitled, "First Time Home Buyer Program" designed to assist first time home buyers with the purchase and rehabilitation of an existing single family home within the City's corporate limits. Local lending institutions have offered to participate in the program by providing first mortgage loans to eligible, credit worthy applicants.

Objectives of the Program:

- To assist eligible first time home buyers purchase a single family home within the City of Johnstown and perform renovation activity with the use of the City's rehabilitation loan funds.
- To stimulate the sale of existing houses in the City of Johnstown in a way that makes the transaction affordable to low and moderate income buyers.
- To assist renters in their transition to home ownership.
- To encourage residency in the City of Johnstown
- To stabilize and enhance the local tax base.
- To create affordable housing partnerships with local lending institutions.
- To create safe, decent affordable housing that meets housing code standards, lead-based paint safe housing standards and energy improvements. The rehabilitation funds may also be used to meet the city's sewage compliance certification.
- To assist eligible first time home buyers with eligible closing cost fees.

Program Requirements:

In order to qualify for the First Time Home Buyer Program, applicants must meet certain eligibility requirements as follows:

- Household income must not exceed the maximum allowance as established by the U.S. Department of Housing and Urban Development's, (HUD), Section 8 Income Limits. Below is the latest household income limitations, which are subject to change based on HUD's public notifications:

Household Income Limits Summary for FY 2017

Household Members:	1	2	3	4	5	6	7	8
Maximum Income	\$33,650	\$38,450	\$43,250	\$48,050	\$51,900	\$55,750	\$59,600	\$63,450

- The residential property to be purchased must be located within the Johnstown City limits. All utilities must be turned on prior to inspection and remain on throughout participation with the program.
- The residential property must be a single-unit structure with all utilities operable.
- The residential property must be vacant or offered for sale by owner-occupants at the time the application is submitted to the City for consideration.
- The applicant must agree to own, occupy and maintain the residential property for a term of the ten (10) years.
- The applicant may not own or have owned in the previous three (3) years, other residential real estate.
- The applicant must meet the primary lenders standards for credit worthiness. Minimum credit scores do apply.
- The applicant must contribute a minimum down payment of 3%-5% (depending on lender requirements) of the total cost of the property.
- The applicant may also apply for the closing cost assistance grant of up to \$3,000, however they must be prepared to pay certain prepaid costs such as:
 - Appraisal Fee
 - Homeowner Insurance
 - Escrow Property Taxes

Program Guidelines:

The First Time Home Buyer Program is designed to provide a source of financing that makes homes affordable to income eligible buyers and to assist in making needed repairs to the property. This is accomplished by the lending institution agreeing to provide a maximum mortgage loan equal to 80% of the appraised value of the property at a discounted interest rate. The first mortgage payment will begin four (4) months after the loan closing date, with a maximum term of (30) years. The City's deferred second mortgage, **not to exceed \$22,000**, will be available to the borrower in making needed repairs to the property. The repair work may include, but is not limited to, roof replacement, new windows and doors, wiring, furnace replacement porch repairs, vinyl siding, energy improvements and lead-based paint renovations. In addition to the rehabilitation loan funds, an additional ten percent, (10%) of the total loan amount will be made available to the borrower to address change orders or deficiencies that may occur within a twelve (12) month period from the date of loan closing.

The City's \$22,000 rehabilitation loan is a deferred mortgage loan at 0% interest for a term of ten (10) years. If the borrower owns, occupies and maintains the property throughout the specified lien period, the City's loan funds will be fully satisfied and the City's mortgage will be discharged from record. If the property is sold prior to the eligible ten (10) year term, the actual amount of repayment will be determined and due in full upon closing of sale. Forgiveness of the City's loan funds will not be made if the borrower fails to maintain the property or if the owner vacates the property.

The City's \$3,000 closing cost assistance loan is a deferred loan at 0% interest for a term of five (5) years. If the borrower owns, occupies and maintains the property throughout the specified lien period, the City's loan funds will be fully satisfied and the City's lien will be discharged from record. If the property is sold prior to the eligible five (5) year term, the full amount of the borrowed funds will be due and payable upon closing of sale. Forgiveness of the City's loan funds will not be made if the borrower fails to maintain the property or if the owner vacates the property.

Program Procedures:

- A prospective first time home buyer may obtain an application from the Department of Community and Economic Development, office of Residential Development.
- Select one of the partnership lenders of your choice. Contact the identified bank representative to apply for a mortgage loan.
- Return the application to the Residential Development office with all required documentation and pre-approval letter as noted in these guidelines. Our office is located at City Hall, Room 204, 401 Main Street, Johnstown, Pennsylvania 15901. You can reach our office by dialing 814-533-2046.
- Once pre-approved by your selected lender, you can begin the search for your new home. When you have selected a home and agreed on a purchase price with the seller, enter into a signed sales agreement. **Be sure to have your Realtor contact this office prior to preparing your sales agreement.**
- Provide a copy of the sales agreement to your lender and the City's Residential Development Office.
- The City will schedule the required property inspection in order to determine what renovation activity is required. All utilities must be on and functioning and must remain on throughout participation with the program. A preliminary work write-up and cost estimate will be prepared by the City's housing inspector and made available to the Residential Development Officer. If the property inspection is passed, a lead-based paint Risk Assessment and Paint Testing will be requested with a State Licensed Inspector.

- Once the lead report is reviewed, a final work write-up and cost estimate will be prepared for the borrower to review and approve. The final approved work write-up will be provided to your lender who will schedule the property appraisal based on the "after" improvement value.
- The homeowner will select their choice of contractors from a list of approved firms, to submit a bid on the renovation activity. The lowest responsible bidder will be awarded the contract work and a copy of the bid sheet will be provided to the lender. The lender will then make arrangements for the mortgage loan closing.
- The loan closing date will be schedule by your lender or the assigned closing agent. A city representative will be present at the closing to have your sign the Owner-Contractor Loan Agreement, which is the agreement prepared for the rehabilitation work.
- All payments to the contractor will be approved by you as the new owner of the property. All work will be monitored by our housing inspector who will also work closely with the homeowner until all contract work is complete.
