

JOHNSTOWN REGIONAL SEWAGE COMPLIANCE LOAN PROGRAM

Johnstown Regional Sewage (JRS) has implemented a loan program to provide property owners with technical and financial assistance in remediating private underground sewer laterals on a voluntary basis. This program is being offered in order to remove infiltration and inflow to the Johnstown Regional sanitary sewer system. Actual cost of construction would be repaid on a monthly basis at a rate of \$6.00 per month per thousand dollars over 20 years. The monthly loan payment shall be included on the owner's current sewer bill.

If you are a homeowner served by the JRS system and are interested in participating, please contact the Johnstown Redevelopment Authority office for more information at (814) 535-6564.
