**NOTE 14 – INTERFUND ELIMINATIONS, RECLASSIFICATION OF NET POSITION, AND CONVERSION OF FUND TYPES**

During 2016, the City reorganized its reporting structure to more accurately reflect each fund’s true net position/fund balance. Additionally, due to the parking fund not generating enough revenue to cover the debt service and the loan restructuring as disclosed in Note 9, the parking fund was converted from a Business Type Activity to a Governmental Activity. The following summarizes the reclassification of unrestricted fund balance/net position and the conversion of net position invested in capital assets net of related debt.
